PROFESSIONAL EXPERIENCE

- 2025 – present

Full-Stack Developer Intern - FeelThere
Developing web and mobile applications using React, React Native, Node.js, Expo, MongoDB, CSS, HTML, and Git, with hands-on experience in full-stack development, agile methodologies, and version control within a fast-paced startup environment.
- 2021 – present

Technical support - Golan Telcom
Provided technical support and optimized mobile services, exceeding performance targets under pressure, mentoring new team members, and collaborating to enhance customer experience and streamline operations.

ORGANISATIONS

- 2022 – present

Perach, Volunteer at Perach Scholarship Program
Supporting children's educational and social development through mentoring. Providing guidance, encouragement, and tailored assistance to help students build confidence, improve learning skills, and reach their potential.

EDUCATION

- 2021 – 2025
Ashdod

B.Sc. in Software Engineering, SCE
- 2013 – 2015

Practical Engineer in Mechatronics, Ort
Completed 13th and 14th grades as an extension of the high school Mechatronics program.
- 2007 – 2013

High School Diploma, Mekif Alef
Specialization in Mechatronics.

PROJECTS

- 2024 – 2025

Graduation project, KiddoNews
Developed an accessible news platform for children using React Native, Node.js, TypeScript, Next.js, and MongoDB, with Git Flow for version control and Vercel for CI/CD. Integrated OpenAI API, built a news site crawler, and conducted API testing with Postman. Gained hands-on experience in full- stack development, API integrations, scalable backend architecture, cloud deployments, and automated testing.

SKILLS

Postman API	Git
GitHub	PostgreSQL
MongoDB	Vercel
JavaScript	Node.js
React	React Native
TypeScript	HTML
CSS3	TailwindCSS
Express	Git Flow
OpenAI Integration	Unit Testing

MILITARY SERVICE

- 2015 – 2017

Air Force, Laboratory Measurement Inspector and Quality Inspector - Ministry of Defense
Performed laboratory measurements and quality control activities on advanced technological systems, ensuring compliance with high standards, ISO requirements, and regulations. Collaborated with technical teams to carry out quality inspections and ensure adherence to required specifications. Security clearance granted.
